Flan River Clean Up For May 15th

A preliminary meeting was held Saturday, March 5th to plan a cleanup of the AuSable River. The meeting was held at the Grayling Regional Chamber of Commerce. Those present were: Joe Michaels, chairman of the Diving Club; Bruce Smith, chairman of the Canoe Livery Association; Constance Officer, Russell Wright, representing the Department; and Mr. and Mrs. Wayne. Plans call for registration on Saturday, May 14th at Grayling. Bowhunters Club for divers who will work on the river. Insurance is being sought for those participating and busses being arranged to transport divers. Canoes will be furnished or pickup by Bruce Smith. A coffee break will be set somewhere along the river for divers. The shower room at the S gym will be made available for the divers on Sunday afternoon. They will clean up (and probably mop up).

One little of the Michigan State Chamber of Commerce, who has a very active in the "Keep Houghton Beautiful" program, will be on hand to start off the cleanup. They are also being made to Governor George Romney or other state dignitary on hand. It would also be told the Chamber would try to cover the event for his television program, "Michigan Outdoors".

Frederic Falls To Snowbirds At Gaylord

Frederic was eliminated from the Michigan High School Basketball tournament in their first game by Gaylord St. Mary Snowbirds. Coach Ron Foster's charges were scored 24 to 13 in the first period. The Snowbirds scored right back with a 25 to 13 second frame and coach Dave Foster's Snowbirds relaxed at halftime with a big 49 to 28 bulge. The third quarter found St. Mary trailing 31 points to only 10 by the end of the third quarter. The final score was 80 to 36. Frederic came back with a 18 to 16 fourth period but it was far from enough as the Snowbirds won 97 to 84.

Gaylord had 11 players scoring, led by Jim Zech with 23 on 9-15. Mike Kowaleski was next with 21 on 10-11 followed by Jim Nowak's 17 on 7-13 and Jim Kronka with 10 on 4-12.

Frederic's high-scoring junior Jim Weaver, canned 31 points on 8-15 to take the game's individual scoring honors. Teammate Tom Koerner added 19 on 6-7. St. Mary held a 39-18 advantage in field goals, while Frederic netted 28 charity tosses to 19 for the winners. See Box Scores Page 5

Easter Seals, Symbol Of Progress For The Handicapped

The annual Easter Seal campaign to raise funds for crippled children and adults is under way and we hope it is more successful than ever. Riding on a successful campaign are the futures of many thousands of handicapped people — those who cannot realize their full potentialities for dignified, productive lives without help.

The fact that there is help available for these fellow Americans in itself is a fairly recent development. Not so many years ago — within the memory of millions of us — a crippled child was virtually written off. Even if he reached maturity, he couldn't expect much of life.

Go back to 1921. The nation had emerged victorious from a great war and had become a ranking world power. We were taking great pride in our scientific and industrial leadership. But it was also a time when superstition still prevailed in many aspects of life and parents hid their handicapped children both from shame and fear of public derision.

That year the Easter Seal Society was founded. It was the first of its kind in the world. It was a time when the handicapped were considered a burden. But it was also a time when the handicapped were beginning to be seen as a part of the community.

REMINDER OF MEDICARE SIGNUP

E. O. Wiles, District Manager for the Social Security Administration, reminded all area residents today of the visit by a representative of his office to the Court House of Grayling next Friday, March 11th.

Interviewing hours have been arranged from 10:30 a. m. to 2:20 p. m. so that all persons, past 65 years of age, can sign up for Medicare.

Bobcats Win 80-68

Vikings Lose District Finale

The Grayling Vikings facing their old bugaboo of playing "catch up" basketball were dumped in the final game of the District Class C No. 104 in the GHS gym Saturday night by the Houghton Lake Bobcats 80 to 68.

Houghton Lake stormed to a 22 to 13 first period lead and then forced Grayling not only to play "catch up" ball but to play the type of game the Bobcats desired. Grayling came back with a 15 to 13 second frame to cut the lead to 35 to 23 at intermission. However, the Bobcats hit the floor and started the second half off with a 21 to 15 third canto to just about lockup the contest. Grayling managed a 25 to 24 fourth period but it was too little and too late.

Myron Bujrows Photo
ACCEPTS TROPHY—The trophy emblematic of victory in District 104 Class C Michigan High School basketball tournament is accepted by Dave Elchuk, left, captain of the Houghton Lake Bobcats from Bob Bovee, right, official scorer for the tournament.

Pat Thompson with 14 and LeRoy Neal with 12 and Art Wakeley's 10 were the pace setters for the green and white offense. Steve DuBois added 8, Terry Wright 6, Dave Nethers 5, John Sorenson 4, Kyle Slusser 4, Bob Smock 4 and Mike Smock 4 foul shot. The Bobcats were paced by Mike Wescott's 18 and 16 each from Dave Elchuk and Mike Droght.

Houghton Lake made their way into the championship game with an easy victory over the Whittemore-Prentiss Cardinals in the tourney's opening game on Wednesday night. Grayling had a little rougher go to get into Saturday night's fray as it took an overtime win over Lincoln-Alcona on Thursday night 67 to 63.

Grayling moved out to a 15 to 10 spread at the first period but Alcona came back with an 18 to 14 second frame to leave the score 29 to 28 in Grayling's favor at rest time. The Tigers blasted the Vikings 17 to 12 in the third canto to move out in front 45 to 41 as the final period opened. A 17 to 13 fourth period knotted the score at 58 all at the final whistle.

Alcona had a 2 point lead with but seconds to go when they threw an erratic pass that went out of bounds. The Vikings got it into play, a shot was tried which missed but LeRoy Neal was right there to tap in the rebound for a tie that brought on an overtime.

Grayling outscored the Tigers 9 to 5 in the overtime to win. John Sorenson, who got 8 points for the night, hit 7 in the overtime frame. Steve DuBois added the other two. Pat Thompson with 17, Terry Wright with 16 and Neal with 12. See Box Scores Page 5

Health Dept. Plans Summer Dental Clinic

Dr. Georgia V. Mills, Director of District Health Department No. 1, has announced plans for the typical fluoride program to be held in the area. The program is carried on each summer by District Health Department No. 1 in cooperation with the Michigan Department of Health.

The program will be made available to pre-schoolers, second, fifth and eighth graders, and to special cases referred by the family dentist. The topical application of sodium fluoride to newly erupted teeth will reduce new tooth decay by 40% in groups of children. The program offers valuable dental experience and dental health education is given the child by the clinic personnel.

The entire procedure consists of four visits to the clinic. At the first visit the teeth are cleaned and the first application of sodium fluoride is applied to the teeth. On the second, third and fourth visits the application of the sodium fluoride is repeated.

The necessary forms to enroll your child in this program are being distributed to the schools in Wexford, Crawford, Kalkaska and Missaukee counties by the Public Health Nurse in the area. You may contact your local health department for forms and information for pre-schoolers and children referred.

The fee for the cleansing and four applications is \$3.00. The fee and consent card must be returned before March 11 in order for your application to be accepted.

Carl Minor Selected To attend Language Workshop

The State Board of Education has notified Carl Minor that he has been selected as one of 40 teachers to participate in a basic Foreign Language Workshop to be held at Mt. Pleasant later this spring. Official notification came through Mrs. Barbara Ort, Foreign Language Consultant to the State Department of Education in Lansing.

Mr. Minor has an undergraduate major in Latin and Greek. He has taught both Latin and French at the high school level. In 1954 he passed the doctoral language exams in French and Latin. He is a French and Spanish teacher.

May Return Canoe Race To Old Style

A possible return to a running amidst colorful fall surroundings and with stock canoes are a distinct chance for the 1966 AuSable National Marathon canoe races as a result of a meeting held in Grayling last weekend. It was the consensus of those attending that these two chances could boost the entry list.

Harry Curley, long-time race committee chairman of Oscoda, said big races have been scheduled in Canada from early August through the first weekend of September.

This means, he said, that running of the AuSable race will have to be scheduled either in late July or September.

As for a return to old-style canoes, race committeemen noted that sometimes as many as 45 teams made the 240-mile distance in former years, contrasted to the 19 teams that started last year, mainly professional paddlers.

Ralph Sawyer, Oscoda, six-time winner of the AuSable race, said he doubted whether he would compete this year.

Curley pointed to competition of the Canadian races which pay winners up to \$15,000 and said the AuSable race this year may even lose its prime sponsor, Consumers Power Co., which in the past has put prize money totaling \$3,050.

Consumers notified the race committee last year that it would not put up the prize money again. The race committee plans to ask the utility to reconsider this action.

Medicare Eligibles Sought In County

Mrs. Edith Paul, Community Aide for Alert for Crawford County, is looking for persons who are not now on Social Security, not on railroad retirement or welfare, also those who have never paid into any social security account, but are 65 years of age or older.

Mrs. Paul is especially seeking persons unable to come to the court house in person.

If you are in the above category, you may become eligible for Medicare by filling out an application blank before March 31, 1966. Leave your name with Crawford County Clerk, Leo Lovely and Mrs. Paul will contact you with an application card.

Michigan Con To Premiere Film Tonight

Northern Michigan is a movie star! The beauty, vitality and industrial development of the northern part of the Lower Peninsula and the Upper Peninsula are featured in a new motion picture produced by Michigan Consolidated Gas Company which will have its premiere showing here on March 10.

Robert L. McIntosh, Grayling area manager for the utility, said civic and business leaders will review the film, "New Horizons North," at a special showing at the Chief Shoppenagons Motor Hotel.

"We wanted to make a film which tells the story of the remarkable development that is going on in northern Michigan," McIntosh said. Not only is our recreational and tourist business booming, but industry is expanding as never before. We plan to tell everybody about it by showing this film all over the country, as well as Michigan," he added.

The breath-taking color movie covers the new surge of economic growth taking place in Michigan's of the Lower Peninsula to the iron ore pelletizing plants of the U. P.

Scenes taken in this area include trout fishing in the AuSable, plant operations at Bear Archery and Tip-Up-Town in Houghton Lake.

"New Horizons North" also tells how Michigan Consolidated and its affiliated pipe line company have expanded their system to bring natural gas to vast new areas of northern Michigan. Dramatic scenes of natural gas system construction as well as drilling for gas and laying underwater pipelines 60 miles out in the Gulf of Mexico demonstrate the scope of the \$33 million program which has seen Michigan Consolidated extend its service to nearly 200 northern communities in the last 10 years.

The film was written and directed by Norman E. Kenyon, manager of public information services, and photographed by William Sweet, chief photographer of the utility. They traveled thousands of miles to capture the northland in its seasonal changes. Group showings for the film can be arranged through the Grayling office of Michigan Consolidated.

Local Pastor Called To Marine Base

The Reverend Charles McMahon, pastor of St. Francis' Episcopal church in Grayling, has volunteered his services as Chaplain in the U. S. armed forces and has been called for active duty beginning June 1, 1966.

Reverend McMahon will report to the Marine base at Camp Pendleton, California at that time.

This will not be a new experience for Rev. McMahon, as he is already a Korean War veteran, having served on active duty in Iceland for one year and in the states a year. He served eight years altogether in the Army Reserve, and is now a member of the U. S. Naval Reserve, presently assigned to the Training Center at Cadiz. He has been a member of the Naval Reserves for twelve years.

Small Craft Safety

Canoes, rowboats, outboards and small sailboats will soon be on the waterways here in Crawford County. The desire for closeness to the freshness of the blue waters begins, as spring breezes blow away the feel of winter.

The March meeting of the Friends of the Library will feature a 14-minute film on small craft safety which will show rescue techniques and methods of preventing accidents with canoes, rowboats, outboards and small sailboats. The definition of a small craft is "a boat having comparatively little size operating on a limited scale."

This points out the necessity for all small craft users to learn safety measures.

A three-minute film from the American Red Cross "Your Breath Can Save a Life" will also be shown.

Join us at the Friends of the Library meeting on Tuesday, March 15th at 8 p. m. at the Library.

Game Man Promoted To Saginaw County Post

LANSING — Harold J. Dykema, Conservation Department game biologist at Grayling, has been named in charge of the Shiawassee River state game area in Saginaw county, effective Feb. 20, announced Field Deputy Dora J. Curry.

He will replace Marvin K. Johnson who in January was appointed the Department's district game biologist at Rose Lake in south-central Michigan.

Dykema, an 18-year veteran of the Department, started his career as a game biologist in 1948 at the Rose Lake wildlife research center near East Lansing. From 1949 to 1959, he served under the Department's farm-game restoration program.

Approve Community College

Implementing The Plan

Plan implementation is merely a complicated way of saying "putting the plans into effect." The planning process must of necessity be followed by implementation if the work of the Area Planning Commission is to be of any use and if the community or area wants to move into the future on a planned course.

Plan implementation is perhaps the most difficult phase of the entire planning process. This is due to two principal factors: First, it is a continuous activity. From the creation of the planning commission itself, there are actions to be taken by the commission and the area governing bodies that could be termed implementation. Second, the drawing and projection of plans is not likely to offend many people but when these plans go into effect, some points of distress will probably appear. The planning commission cannot avoid this situation but must constantly weigh individual rights and individual hardship against the general welfare of the community.

The continuous aspect of planning must constantly be borne in mind. The community which says, "We are planning" has a far better chance of realizing its objectives than the community which says, "We have a plan." The finality of the latter statements tends to stamp that community as one which has a prepared plan report but is doing little to convert it to an active, live program.

The following tools — developed as a part of the area plan aid in the accomplishment of plan proposals: Zoning — this is a "must" tool for orderly procedure in the area and the zones of the master plan must be adopted by both the See The Plan Page 8

Another Local Landmark Tumbles To Wrecking Crew

The property on which the Peterson Laundry stood, at the corner of Norway and Ottawa streets in Grayling, has undergone changes of ownership nearly twenty times in the years between 1868, when the first record of any transaction was made when Governor Henry Crapo signed a patent deed to Frederic Hall of Ionia County for \$50 the 40 acres which included that property. The next recorded transfer is from the Jackson, Lansing and Saginaw railroad to the Village of Grayling the land which is now the City of Grayling.

The specific area, Lot 7 of Block 8, shows up in the next recording of a deed to Daniel London in a sheriff's sale of the property in 1876 listed as belonging to Leonard and Anson Simmons. It develops in later recordings, that in 1889, the Jackson, Lansing and Saginaw railroad road to Emma Carl Lot 7 of block 8, and Emma Carl in 1888 deeded to Anson Simmons the same property. A quitclaim from Martha Anderson to David London was recorded in 1878. Apparently effort was being made to obtain a clear title to the land.

In 1880 a David London transferred Lot 7 to William Foster for \$40. In 1888 William Foster sold it to Joseph Charron for \$300. In 1889 the first indication of a building appears when Joseph Charron leased 18 x 35 feet on the southwest corner of Lot 7 to one John Cowell, to be used for a barbershop, for a period of five years.

The Charrons sold to Peter and Mary Blanchett, and Mary Blanchett to Nels P. Olson. The Olsons sold to B. Peter Johnson, and Johnson to Victor Salling. From the Sallings the land went to Charlie Hatch of Kalkaska, and his daughter Anna sold it to Walter Jorgenson. Jorgenson sold to John Benson, the last owner before the Peterson family.

Mrs. Peterson has sold the property to William DeWitt, present owner. The building has been completely removed and the property is back to being land only.

Little League Board of Directors Elected

The annual meeting of Little League coaches, directors and only three interested parents was held at the Grayling Elementary School Sunday evening at 7:30 with around 15 persons attending. In the elections held the policy of electing directors for three-year, two-year and one-year terms was instituted, resulting in the election of James Duley, Earl Burns and Arthur Thayer for three-year terms; David Hanson, Bob Golinick and Jim McClain for two-year terms; and Derek McVeigh, Leroy Payendick and Hazen Hatfield for one-year terms.

From the Board membership, Art Thayer was elected Board president, Jim Duley vice-president, David Hanson, secretary, Earl Burns treasurer, and Bob Golinick, player agent.

It is hoped that at the next annual meeting more parents will

BAG BUNNY LIMIT — Clarence "Curley" LaMatte, left, and Gideon Robarge, right, both of Grayling filled their limit with rabbits on a hunt near Frederic on February 23rd. Both men said the hunting was good and was worth the effort. The two men in the foreground had a lot to do with the success of the chase.

FISH CHIEF SAYS

AuSable May Cease To Be Trout Stream In From 5 to 10 Years

The AuSable River system may cease to be a trout stream in from 5 to 10 years was the considered opinion of Dr. Howard A. Tanner, chief of the fish division, Conservation Department, expressed at "Operation AuSable," a panel discussion on the watershed held on Tuesday night, March 1st at the Grayling City Hall.

The panel discussion was arranged by the Grayling Regional Chamber of Commerce and was chaired by Earl H. Longworth, Chamber manager. Others on the panel besides Dr. Tanner were: Harold Cliff, Grayling City Manager; Bruce Smith, Grayling canoe livery operator and president of the Canoe Livery Association; Arnold Mauren, chairman of the Grayling Area Planning Commission; Bernard Fowler, Grayling Township Supervisor and chairman of the Crawford County Board of Supervisors; Bruce Carlson, engineer-superintendent of the Crawford County Road Commission; Gerald A. Eddy, State Geologist and chairman of the State-Water-Resources Commission; Robert Courchaine, engineer for the Water Resources Commission; Dr. Donald Woosmer of Saginaw, chairman of the Michigan Chapter of Trout Unlimited; Gene Little of the Michigan State Chamber of Commerce.

About fifty interested people attended the session whose consensus was that probably a Watershed Management Council was needed to act on problems affecting the river basin. This type of management is now possible under Public Act 253 if two or more local governmental bodies ask for this type of program. Further seminars are planned on the subject, Longworth said.

Dr. Tanner said "the values you seek to protect in the AuSable River watershed are much more fragile than those of the Huron and Grand River areas which are also concerned over continually mounting pollution."

FISH FRY FRIDAY

The Sportsman's Club is having two fish fries during March. The first one is this Friday, the 11th, from 5 to 8 p. m. at the clubhouse, adults \$1.50 and children 75c. Take-outs are available too.

Announce Engagement

Mr. and Mrs. Eli W. Beery of Grayling, announce the engagement of their daughter, Pamela Jo to Walter Wesley Fallon Jr., son of Mrs. Nels Olson also of Grayling.

Both are students at Michigan State University in East Lansing. Pamela is a sophomore majoring in Art Practice. Walt is junior in Personnel Industrial Management.

Bovee Named As Trustee

Voters at large in the C.O.O.R. Intermediate School District made up of Crawford, Ogemaw, Oscoda and Roscommon counties approved the establishment of a Community College (proposition 1) within the district by a vote of 1699 to 1272 against in the special election held to decide the issue on Monday, March 7th. They also approved of one mill tax to establish, build and operate the college (proposition 2) by a vote of 1643 to 1319.

By counties Oscoda approved proposition 1 by 274 to 205 and proposition 2 by 267 to 211; Crawford voted 297 for and 141 against — proposition 1 and 283 for and 156 against proposition 2; Roscommon 826 for and 453 against proposal 1 and 801 for and 469 against proposal 2. Ogemaw voted 302 for and 473 against proposal 1 and 292 for with 483 against proposal 2.

Robert Bovee, Grayling High School teacher, was elected to the college board of trustees for a two-year term. Others who received approval of the electorate were William Eichler and Gilbert Stewart for six-year terms; Dr. Warren E. Bontrager and Harold Ferris for four-year terms and Dr. Charles L. Oppy for the other two-year term. These candidates are pictured elsewhere in this issue.

Norval Stephan, who was running for the four-year term won locally but not at the four county level.

Considering the recent rise in property assessments in Crawford County during the past year, it is very gratifying to those who have worked for the establishment of a community college to receive the endorsement for such an undertaking.

Grayling Sportsman's Club Adopts Resolution

At the regular meeting of the Grayling Sportsman's Club March 2nd it was discussed pro and con about the litter and pollution problem. This matter has been of great concern to the Club for several years and since the Grayling Regional Chamber of Commerce is spearheading the task of resolving the problem, the Grayling Sportsman's Club drew up the following resolution.

"Whereas, We the Grayling Sportsman's Club realize and agree that there is a serious Litter and Pollution problem and Whereas the Grayling Regional Chamber of Commerce has accepted the Challenge to organize forces to resolve this problem which now exists and is continuing to grow in magnitude, Therefore Be It Resolved That We The Grayling Sportsman's Club give its wholehearted support to the Grayling Regional Chamber of Commerce in its endeavor."

The above resolution was formed and adopted unanimously by the members present.

REVEAL SALE OF GRAYLING MOTEL

Mrs. Harold Hempel announces the sale of the Grayling Motel on July 1, 1965 to Mr. and Mrs. Joe Molnar of Cleveland, Ohio, who will take possession this month. The Molnars have two sons, 16 and 12 years old. Mrs. Molnar's mother, Mathilda Drytuse, will operate the motel until the Molnars dispose of their business and properties in Ohio.

Mrs. Hempel has bought a house in Bay City but hopes to find a small place in Grayling the family can come up to.

Arthur Thayer Attends Principals Conference

Arthur R. Thayer, Principal of Grayling Elementary School, attended the annual state convention of the Michigan Association of Elementary School Principals at Grand Rapids, March 24.

Thayer served as Defense Attorney at the 1966 Conference of the organization.

Nearly 1,000 principals attended the 3 day meeting.

Highlighting the convention were stage "courtroom" debates on current controversial issues in education. They included evaluation of teachers, certification, tenure and negotiations for administrators, and innovations in curriculum.

BITS O' TALK

Mrs. George Skinner left Thursday for Bay City where she was to undergo surgery at Mercy Hospital on Friday. She hoped to return home some time this week.

Mr. and Mrs. Frank LaMotte sat on their front porch at 5 p. m. on March 1st and 2nd sunning themselves in the "Florida" sunshine.

Mrs. Robert Nixon of Bluffton, Ind., drove here Wednesday and her father Harvey Hill accompanied her home Thursday to spend a few weeks.

A more complete address for Mike Crouch is as follows: Michael C. Crouch, US5885071, Co. B, 35 Eng. Bn. (C), 1st Ptn., Ft. Lewis, Washington 98434.

Mrs. Joseph Stripe attended an afternoon meeting of the American Association of Teachers of Spanish and Portuguese at CMU, Mt. Pleasant, Saturday before last.

If Dr. says ulcers, get new PHS tablets. Fast as liquids, only 98c at Mac's Drugs.

Mr. and Mrs. Charles Wylie and children Michael and Catherine of East Lansing came Thursday night to attend the Grayling-Lincoln Alcona basketball tournament game. They returned home on Friday.

Mrs. Eli Beery left by plane from Traverse City Sunday to go to Melbourne Beach, Fla., to spend a week visiting her parents, Dr. and Mrs. C. M. Long. She was to go from Traverse to Grand Rapids to Chicago and then by jet to Atlanta, then to Florida, and her sister from Los Angeles was to join her in the visit with her parents.

Christine Armbrust and sons have moved into the Sig Wright home which she recently purchased. Steven and Bobby are attending school here and young Jimmy is occasionally babysitting his grandpa, Jesse Sales.

BEAR REDESIGNS KODIAK SPECIAL

Bear Kodiak Special has a new look for '66.

The Special, long a favorite of tournament shooters, features a new, scientific limb design for increased speed and limb stability. The massive, yet delicately balanced riser section gives it a bold new profile.

A combination Brazilian Rosewood and Golden Rosewood riser is offset by white glass limbs to make it smart looking as well as smooth operating.

The Bear Kodiak Special is available in both 66 and 69 inch lengths, weighted from 25 to 50 pounds. For the feel of a true custom bow, it is available in handle sizes small, standard and large, with either regular or pistol grips. This is the first time that Bear has offered a choice of grips in tournament bows.

Standard equipment includes the Bear Custom Rest and Adjustable Arrow Plate. The bow will accept the Bear Premier-Bowsight. The Kodiak Special comes in a black vinyl, leather-grained Bear bowcase.

Kodiak Special is a product of the Bear Archery Co., Grayling, Michigan. Bear makes a wide range of hunting and tournament bows ranging in price from \$17.95 to \$175.00. Kodiak Special sells for \$100.

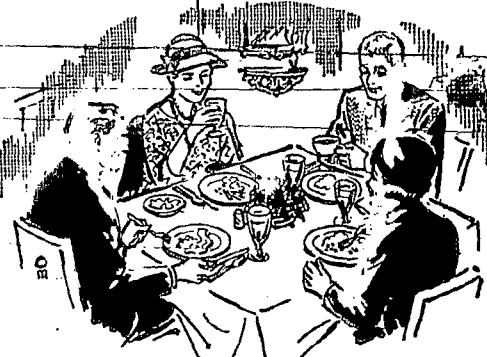

Mrs. Anna Duerstein's Rites In Wisconsin

Mrs. Anna Duerstein, 92, died at 5:40 a. m. Friday, February 25 in the home of her daughter Mrs. Earl W. Nelson, after a brief illness following a cerebral thrombosis. Funeral services were held February 28th at 2:30 p. m. in Ritters and Deussen Funeral Home in Wausau, Wisconsin. The Rev. Dr. Paul Bischoff of the First Presbyterian Church, of which Mrs. Duerstein was a member, officiated and burial was in Pine Grove Cemetery.

Mrs. Duerstein, the former Anna Pivernetz, was born in Kewaunee County, Wisconsin on Dec. 29, 1873. She was the daughter of the late Mr. and Mrs. Frank Pivernetz. She married Jacob C. Duerstein Sept. 12, 1899 at Edgar, Wisconsin. He died in 1952.

Survivors include Mrs. Earl Nelson and another daughter, Mrs. William Abraham, Winter Park, Fla., three grandsons and eight great-grandchildren.

Grayling, Michigan, Thursday, March 10, 1966

Wait And Wonder . . .

A publication of the Chamber of Commerce of the United States observes that the eventual character of this session of the 89th Congress will be determined by four ever-changing cross-currents—the strength of which it is impossible to gauge precisely. These are: the war in Viet Nam; The threat of inflation. The pressures for more and bigger federal welfare and social programs. The 1966 election, in which all members of the House and a third of the members of the Senate must be re-elected if they wish to return to Congress.

In many respects, this session will be markedly different from that of last year. The Viet Nam war overadows everything. The hopes that, not so long ago, were held out for bringing it to a successful conclusion in a reasonable time have been largely dissipated. Lost observers seem to feel that, if anything, the situation has steadily worsened. And the cost of the war, measured in men, money and materials, soars upward.

The President's decision to renew the bombings was obviously made with reluctance. At the same time, met with the approval of most members of Congress, even though many of these deeply regretted that it had been. And it is certainly true that just about everything within the realm of possibility and the national interest has been done in the effort to bring Hanoi to a conference table. Every one of those efforts has been rebuffed, often in the most angry and blatant manner. Apparently, the leaders of the communist bloc ink that, sooner or later, American public opinion will no longer support massive American intervention in the war, and that terms will then become possible that will make a communist take-over a certainty. Almost everyone in this country agrees, is a proud misconception. But it stands squarely in the path of fair negotiation.

How long could this war last? A recent New York Times Service story provides a chilling answer. According to it, senior presidential advisers say it will take six years or more to reach a satisfactory military decision and require some 500,000 troops. And there are those who think that even this might be an underestimate.

Everything of significance Congress does, therefore, will be colored one way or another by the Viet Nam situation. And the minds of many will be fixed on the grim possibility of inflation on a scale much greater than we have recently experienced. It is true that next year's projected budget shows only a relatively small deficit. But budgets have a way of getting out of hand. For one thing, military spending could be

much greater than is estimated—while tax revenues could be much less. And the cost of welfare programs already adopted could outrun projections by a wide margin.

So, as the Chamber's publication also points out, before this congressional session passes into history its members must make some very important decisions. It will have to decide how much welfare we can afford and still conduct a war. It will have to decide what to do about taxes, and there are significant authorities who believe they must be raised, if only as an anti-inflationary force. It will have to establish priorities and make up its mind what things come first. One can safely say that few past Congresses have faced more solemn duties and obligations.

In this time of decision, the nation waits, watches and wonders.

Interesting Events In Grayling 23 Years Ago

INTERESTING ITEMS OF NEWS GATHERED FROM THE FILES OF THE AVALANCHE OF 23 YEARS AGO

March 11, 1943

Weather traditions seem all off this winter. Haven't even had a January this year. March is much like February. From moderate to 30° below temperatures. Occasional sunshine and MUCH snow. Lent began Wednesday. Easter is April 25th. Latest we can recall.

Johnson's Furniture Store is going out of business.

Col. Joseph V. Dillen, commanding the provost marshal general's training center at Fort Custer today termed as "mere speculation" the report that units under his command would make use of the Michigan National Guard range at Grayling during summer months this year. The range, formerly a summer camp training area for National Guard units, was used for firing tests by field artillery and tank destroyer units stationed here last summer. All such combat units with the exception of one have since been assigned to other stations, precluding the possibility that such heavy firing will be scheduled this year. "I have made no overtures to the state for use of the range," Col. Dillen said. "When our officer refresher classes begin courses this summer, we might consider using the Grayling area as a training center, but it is merely in the talking state." He said he understood the area offered maneuver and recreational facilities.

Aviation-Cadet Clyde R. Borchers, son of Mr. and Mrs. Henry Borchers, Grayling, Michigan, has completed the second phase of his flight training at the Army Air Forces Basic Flying School, Hunter Army Air Field, Montgomery, Ala. It was announced today. Prior to his arrival he had received his primary training at Union City, Tenn., where he obtained 60 hours in the air in primary training planes. He was appointed an aviation-cadet Feb. 18, 1942.

Postmaster and Mrs. James McDonnell are announcing the betrothal of their daughter Elaine to Mr. Paul E. Holmgren, 22c, USNR. The wedding will take place at the Little Church Around the Corner in New York City, Monday, March 15th.

Etta Nowlin returned home to South Branch last Thursday. She spent several weeks with her son, Garrett in Detroit. Mr. Garrett Nowlin was inducted into the army on Tuesday of last week.

Conservation Officer Clarence Roberts reports that the F. F. S. Organization is making daily progress. The O. C. D. Volunteer Service and the Conservation Department report satisfactory progress. The residents are generally enthusiastic and are registering promptly. The several points of registration are giving freely of their time. The 16-year old boys are being listed and will be contacted with the approval of the Department of Labor and Industry. Methods of training fire fighters for emergency service will be announced later.

John Selesky, a student cadet in the army flying corps at Roswell Field, New Mexico, is in a hospital there as the result of a bombing plane crash last Wednesday night. A telephone call from Mrs. Selesky from Roswell Field to her mother, Mrs. Minnie Hartley, the following day told of the accident and said that besides other injuries Mr. Selesky had suffered the loss of the left eye. John was about to graduate with commission of second lieutenant. In fact he had only 35 more minutes of flying time to put in before he was to receive the wings that he had so strenuously worked for. Just how the accident happened is not known here. It was a most unfortunate affair. His family and friends here are hoping he may soon be able to resume his training and receive a commission. He was to have graduated yesterday and Mrs. Selesky had gone there to attend his graduation. As she is a registered nurse she is caring for him at the hospital there.

Mrs. F. Wood, Mrs. E. Kellogg, Mrs. M. McCormick and Mrs. A. D. Duby of Lovells were in Grayling March 6 as luncheon guests of Mrs. Lola Papenhus, the occasion also honoring the birthday of Mrs. McCormick.

Mr. and Mrs. Ace D. Leng and son Teddy of Frederic spent Sunday in Bay City visiting Mr. and Mrs. Thorin Johnson and family and Mabel Lewis. They were met there by Mr. and Mrs. Harry Larson and daughter Dorothy Lee and Doris Leng of Detroit and Mrs. William Sanford of Columbiaville.

Glad to see Jack Clark back on the telephone system job, after several weeks of illness at his home.

Members of St. Mary's parish enjoyed a potluck dinner at the parish hall Tuesday evening and there was a nice crowd present and everyone enjoyed the dinner very much. Mrs. Carl Nielson, who was chairman, was assisted by Mrs. Liland Smock, Mrs. W. J. Heric and Mrs. C. J. McNamara.

Miss Thelma Hubbell was the first Grayling woman to join the WAACS. She expects to be called in about a week.

Miss Ingeborg Hanson has been absent from her duties at the Grayling Lumber & Supply Co. office on account of illness.

Dennis Lovely is visiting at his home here for a few days. He begins work Tuesday at the bomber plant at Willow Run.

Pfc. Max Lett, who is serving in the U. S. Army at Camp Adair, Ore., has recently been promoted to Corporal.

Mrs. Fred Bishaw entertained her Bunco Club Tuesday afternoon. Prizes going to Mrs. Tracy Nelson and Mrs. Harry Sorenson.

Mr. and Mrs. Horace Failing of Detroit spent the first of the week visiting the former's sister, Mrs. Howard Bunker and family.

Miss Virginia Feldhauser resumed her duties at the Sale Ben Franklin store after a week's vacation which she spent in Saginaw.

Local Man Completes Radiological Course

Among those successfully completing a course in radiological monitoring held recently in Roscommon was J. Patrick Cox of Grayling. The course was administered through the auspices of Michigan Technological University and sponsored by the national civil defense.

The class involved 16 physics and chemistry teachers from nine surrounding counties. It was completed in four rigorous 8-hour sessions beginning on January 28th and ending February 5th.

Lectures and films were presented concerning the theory and development of the nuclear blast and its subsequent fallout. The course included practice in calculating radiation levels under various sets of conditions, and experience in reading and calibrating radiation detection equipment in the actual presence of radioactive cobalt 60 sources. The course concluded with a brief discussion of biological and chemical warfare.

The object of the course was to train a nucleus of people who could then instruct local civic organizations on some of the operations and procedures to be performed in the event of a nuclear attack.

It was consensus of opinion of the participants that the course was truly informative and worthwhile.

visiting Mr. and Mrs. George Wiggins and family.

The Ration board headquarters has been changed from the rooms over the Gamble Store to the Cassidy building formerly occupied by Blackie's Tavern.

The Moose Lodge has granted the Citizens Defense Corps exclusive use of their club rooms over the bowling alley, for use as their control center. The agreement is for the duration and the rent is free.

Miss Francella Malloy of Ann Arbor was a weekend guest of her brother, Clifford Malloy and family.

Paul Lovely Jr. left Wednesday for Midland to visit his sister and brothers before leaving for the army on the 16th.

Lt. (Doctor) John F. Cook, son of Mr. F. C. Cook of Alpena, is now stationed at the Bainbridge Army Air Forces, Bainbridge, Ga. The local flying field is a unit of the vast Army Air Forces Southeast Training Center. Lt. Cook was graduated from Marquette University in 1934 where he received a D. D. S. degree and was a practicing dentist before joining the Air Force. He is now a member of the Dental Corps at the Bainbridge basic flying school.

Pvt. Alan D. Leng is the latest soldier-student from Grayling to receive his diploma as an expert airplane mechanic from Kessler Field's B-24 Liberator Bomber School, a unit of the Army Air Forces Technical Training Command which is now graduating a class of mechanics every day. Private Leng, the son of Mr. and Mrs. Ace Leng, Frederic, is now ready for active line duty, servicing and maintaining the huge Liberators for long distance bombing forays against the Axis.

The Misses Gail and Nell Welsh spent Tuesday and Wednesday in Saginaw.

46 YEARS AGO

March 11, 1920

Hiram Johnson of California, Republican candidate for president will speak in Grayling Saturday afternoon.

Charles Abbott is absent from the A. M. Lewis drug store with the measles.

A son, Robert Marius was born to Mr. and Mrs. Walter Hanson Monday. The boy weighed 10 pounds.

Melvin Brown, son of Mr. and Mrs. Peter Brown, writes that he is leaving Utah for the Hawaiian Islands to be gone some two years. The young man is employed by the Utah Telephone Co., for which firm he will work in Honolulu.

Last week it was discovered that thieves had broken into and entered the H. W. Wolff and T. W. Hanson cottages at Lake Margrethe. They removed one of the blinds, broke the glass and unlocked the window. Esbern Hanson has offered a reward of \$250 for the arrest and conviction of the guilty parties.

2 Ten young people enjoyed a sleigh ride Saturday night to the home of Mr. and Mrs. George Schaible. Progressive Pedro was played and first prize was won by Mrs. Lena Pond and Mr. J. E. Fletcher while Miss Elvira Rasmussen, Bernard Bromwell and Emil Niederer were awarded consolation.

Photographer James Wingard has remodeled his studio and the new arrangement affords him better working facilities and more room.

Mrs. Harry Fredman and children are visiting her mother, Mrs. Hyman Joseph. They came from Milwaukee.

Mr. and Mrs. William Woodfield returned today from a visit in Flint and Bay City.

Water level, Feb. 24, '65 1133.70 ft.
Maximum level for period of record Sept. 15, '61 1135.80 ft.
Minimum level for period of record

GRAYLING SAILOR ON VISIT IN AFRICA

USS John King (DDG-3) (FHT-NC) Feb. 7 — Damage Controlman Second Class Martin J. Tinker, USN, son of Mr. and Mrs. Charles D. Tinker of 206 Park St., Grayling, Mich., visited Bizerte, Tunisia while serving in the Mediterranean aboard the Sixth Fleet guided missile destroyer USS John King.

While in the Mediterranean, John King operates with an attack carrier striking group, which includes an attack aircraft carrier, a cruiser and about eight destroyers. Sixth Fleet ships spend more than half their deployment participating in Fleet and NATO exercises. Between operations, the ships visit the more than 100 Mediterranean ports.

If the first part of your vehicle identification number is here, you might be a winner.

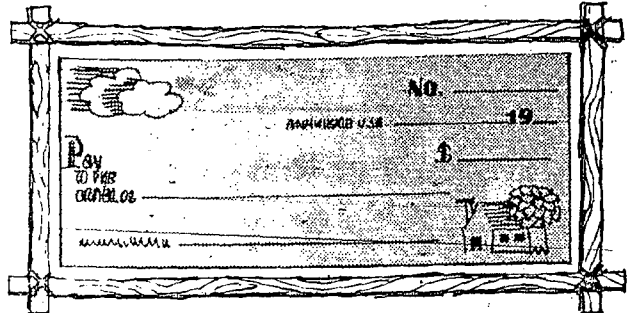

Here's how it works. Look at the first symbols (the prefix) of your vehicle identification slip. Then look at the symbols listed above. If you find yours on the list, you've taken the first step toward being a winner. Now go see your Buick dealer. He has a list of 72 winners posted in his showroom. If you see your vehicle identification number on the poster—the symbols plus the rest of the number—\$2332 cash is yours. (If your prefix isn't listed in this ad, don't give up. Your numbers may have been posted during the past few weeks. And every week there are 72 new winners posted on the showroom wall. So watch for next week's list of new symbols in this newspaper.) No slogan to invent, no puzzles to solve. In fact, you don't even have to own a Buick to have a winning number. While you're in the showroom, get a good look at the Buick Special. The \$2332.00 happens to be its price. *Manufacturer's suggested retail price for Special V-6 2-dr. coupe. Price includes Federal Excise Tax and optional dealer delivery and handling charge.

Contest Rules. Residents of Kansas, Missouri and Nebraska may, if they prefer, send in a postcard to R. L. Polk and Co., P.O. Box 1347, Detroit, Michigan 48221 and receive the weekly list of winning numbers by mail for comparison with their own vehicle identification number. An official entry form will be included. Sweepstakes limited to persons over 21 living in the continental U.S. Not valid in Florida or states where prohibited by law.

Buick's \$1,000,000 Sweepstakes

Grayling State Bank

a new Nursing Education Program

Harper Hospital's School of Nursing, the first and oldest in Detroit, now offers eligible high school graduates a fully accredited 22-month course in nursing, instead of the previous 30-month course.

This is the School where the Florence Nightingale Pledge was written. This is a school located in the middle of the exciting new \$250 million Detroit Medical Center.

There are still openings available for the class beginning September, 1966. Graduates will be eligible to take State Board Examinations to become registered nurses.

Write today for details, care of the Director of Nursing, Harper Hospital, Dept. 24 Detroit 1, Michigan.

Ask for information about scholarships.

Named Community College Trustees

2-Year Term
DR. CHARLES L. OPPY has been a practicing physician at Roscommon since the summer of 1954. He is a graduate of the University of Cincinnati where he received his medical training. He grew up in Portsmouth, Ohio. He is president of the Board of Directors of the Houghton Lake Playhouse and has been interested in the Boy Scout program. He is a former Chief of Staff at Grayling Mercy Hospital and is a past president of the North Central Medical Society and an alternate delegate to the Michigan State Medical Society.

4-Year Term
DR. WARREN BONTRAGER is a practicing physician at Fairview, and president of the Fairview Board of Education. A native of that community, he graduated from Fairview High School, from Goshen College, Goshen, Indiana, and attended the University of Michigan where he received his degree in medicine. Dr. Bontrager is past president of the North-eastern Medical Society and is a former Chief of Staff at Tolfree Memorial Hospital, West Branch.

6-Year Term
GILBERT I. STEWART has been a resident of the Higgins Lake area for the past 36 years. He attended Harrisburg Technical High School, Harrisburg, Pa., graduated from the University of Michigan in 1922 with a BS Degree in Forestry, attended Yale University, and received his Master's Degree in Forestry in 1926. He was an instructor at the University of Maine for four years. He was employed by the Michigan Department of Conservation as Director of the Forest Fire Experiment Station before his retirement.

Lake Margrethe

By Margerite Flower

For those wanting to send Mrs. Harry Young a card, her address is St. Joseph Mercy Hospital, Room 640-1, Ann Arbor, Mich.

Mr. and Mrs. Harold Clement left Friday for Florida. While there they expect to visit the Jack Wades at Orono.

Truman Mariatt of Detroit, who had a serious operation a week ago, returned home Friday and is getting along just fine.

Mrs. E. J. Birdsall left Florida Monday and expect to be home shortly.

Moose Lodge Activities

This past weekend the Legion Club held its monthly breakfast-meeting at the lodge basement. The next meeting will be April 3rd at 11:00 a. m.

Alfred Hanson and Bud Jones are still in Mercy Hospital. Bill Hall is at Mercy Hospital in Bay City. Jack Bigham, Sr., has been sick with the flu.

This Friday is the deadline for placing your name for nomination for lodge election to be held in April. New officers take office on May 1st.

The next enrollment has been set for March 26th at 8 p. m.

Thursday, March 17th, the W.O. T.M. are sponsoring a St. Patrick's dance at the club, with live music planned.

We still have music by the Northerners every Saturday night at the club for members and their guests.

Vets day labels are coming in very well now. The blind will appreciate your support in saving these labels and dog food labels. We

LOVELLS NOTES

By Emma Stillwagon

Mr. and Mrs. Kenny Minard spent the weekend with her sister and husband, the Bruce Kohlmans.

Mr. and Mrs. John Billmeyer and family of Saginaw spent the weekend with her parents, Mr. and Mrs. Tom Morris.

Mr. and Mrs. Ray Duby spent the weekend in Midland.

Mr. Jack Kaiser left Monday to spend a few days with his father in Columbus, Ohio. Mrs. Mary Venus accompanied him to Detroit to visit her daughter and family.

Mr. and Mrs. William Koernke were hosts at the party Saturday evening. Prizes were won by Kathleen Pearsall, Hazel Koernke, Marge Harwood and Glenn Owen. Mrs. Hazel Koernke will be hostess this week.

Pat Harwood attended the Michigan - Michigan State game at Lansing, Monday evening.

Mr. and Mrs. Bud Bollman and family are visiting relatives in Chicago and Saginaw.

MAPLE FOREST

A birthday party was given for Debbie Babbitt and Ellen Beck Monday, February 21st, at the Bill Beck home. Seven guests enjoyed the party.

Grayling Regional Chamber of Commerce

Memo: To the People of Crawford County.

From: Sol Truettner, President

Subject: Duties of the Chamber.

In the Chamber office is a list of all the Grayling and Crawford County hotels and motels. (Members only). On this list is a description and prices of these places. When inquiries come in concerning places to stay and the prices of the rooms etc., we have this information on hand to send out at once. A list of restaurants, canoe livery and any other business in this area is also listed. You name the inquiry, we have it. If we don't, we'll get it. If any Crawford County organization has news releases to be mailed, they have simply to bring them to the Chamber office and as a service to the organization, the Chamber will see that these releases are sent out. The Chamber does liaison work with the Michigan Week Committee, the automobile show committee and complete liaison service with the city and county government. And as an extra bonus liaison work for all businesses in Grayling and Crawford County.

Brooker-Tinker Wed

The marriage of Miss Linda Brooker, daughter of Mrs. Peg Brooker of Grayling, to Mr. William Tinker, son of Mrs. William Tinker and the late Mr. Tinker of Grayling, took place at 3 o'clock on Saturday, February 19, 1966, at the Orchard Lake Presbyterian Church with the Reverend T. A. A. officiating. Attending the couple were Miss Barbara Mitchell and Evan Swanson.

A reception was held at the Detroit Yacht Club in the evening, with fifty guests attending.

Both Linda and Bill are 1965 graduates of Grayling High School. She is employed by Michigan Bell Telephone Company and Bill is

Council Proceedings

Regular meeting of the City Council held Monday, January 31, 1966, 7:30 P. M. in the City Hall.

The meeting was called to order Mayor Cook at 7:30 P. M.

Members present: Cook, Sorenson, Duley, Madsen, Broadbent. Members absent: None.

Citizens present: Ward Ellison. The minutes of the previous meeting were approved as read.

A motion was made by Duley and supported by Sorenson, that final payment of \$1,000.00 be made to Cready and Sons on the City II Project. All voting in favor, motion carried.

The Council disapproved the insurance policy on the water tower if further study could be made the advantages of such a policy. The Council, by Resolution, indicated its approval of the proposed ordinance. The City Manager was instructed to establish a plan for publication and public hearing on the ordinance, prior to enactment as an ordinance.

The meeting was adjourned by Mayor Cook at 9:30 P. M.

Harold S. Cliff, City Clerk

Special meeting of the City Council held Thursday, February 10, 1966, at 7:30 P. M. in the City Hall.

The meeting was called to order Mayor Cook at 7:30 P. M. and adjourned by Mayor Cook at 9:30 P. M.

Members present: Cook, Sorenson, Duley, Madsen, Broadbent. Members absent: None.

Citizens present: Ward Ellison, B. Wood and Mr. Bob Ostling. Mr. Wood presented to the Council the Street Improvement Program in its various phases. As the phase was presented, a question and answer period was held.

The Council then instructed Mr. Wood to continue with the study to prepare the necessary forms enable the City to apply for Federal Aid.

The meeting was adjourned by Mayor Cook at 10:30 P. M.

Harold S. Cliff, City Clerk

Local Man's Sister Laid To Rest

Mrs. Theresa Winston, 62, of Mancelona passed away Thursday at a Detroit hospital after an illness of several months. She was returned to Mancelona for funeral services Saturday morning at St. Michael's church, with burial in the Mancelona cemetery. A rosary was recited Friday evening.

The former Theresa Hoover was born in Rensselaer, Indiana in 1903. She accompanied her husband to Mancelona about fourteen years ago, where the couple operated an upholstery shop. She is survived by her husband, Harry, a daughter Donna of Pontiac and two sons, Jerome and Lloyd of Detroit, also her brother, Thomas Hoover of Grayling.

Mr. and Mrs. Hoover attended the rosary and funeral services on Friday and Saturday.

SCHOOL BAND NEWS

By Jeanette Skolaski
Band Reporter

On Saturday, Feb. 26th the Grayling High School Band traveled to Traverse City to take part in the M.S.B.O.A. Band and Orchestra Festival. We played very well in front of the three adjudicators who were Leonard Falcone from Michigan State University, Gerald Bartlett from East Lansing, Rex Hewlett from Central Michigan U., and Irv Van Slysters from the Lansing Conservatory of Music. The band played the best they had ever played, but the adjudicators gave us a III Division Rating.

We held our monthly band meeting on Monday, March 7. At this meeting we planned our band concert to be held March 22. The band is proud to say that this concert is going to be the best that Grayling has ever heard. We will be playing some new songs and there will be solos, duets, trios, and the dance band will perform.

Remember the date, March 22nd, and treat your family to an enjoyable evening of music.

The band is having another candy sale which started March 8th. It will last for a couple of weeks. The money we earn from this candy sale will be used for the purchase of field drums, which the band needs so desperately.

The trumpet trio consisting of Bob Ashman, Linda Christian, and Kay Jansen will go to Midland on March 19 to compete in the finals. Bob Ashman will also play a concert solo. These students are going because they received a I Division Rating at the Solo and Ensemble Festival in Elk Rapids.

Mercy Hospital News

Patients registered at Mercy Hospital this week included Milow Case, Arleen Doroh, Melvina Hoover, Harold Hatfield, Alfred Hanson, Susan Johnson, Evert Jones, William Kennedy, Glenn Lash, Linda Mariage, George Morrison, Arnold Mauren, John A. Schofield, Harriet Stakey, Mamie Strahley, Grayling.

Myra Lynn is the daughter born March 1 to the Warren Browns of Grayling. She weighed 8 lbs. 2 oz.

Mr. and Mrs. Thomas Johnson have a son, Allen Floyd, born on March 5th. He weighed 5 lbs. 15 oz.

Kiwanis Club Notes

By Wes LaGrow

The weekly meeting of the Kiwanis Club of Grayling was held Monday evening at the Chief Shoppenagons Motor Hotel. Six members of the Grayling club attended, making the meeting an inter-club session.

Due to a directors meeting following, no program was planned.

Local Couple Enjoying Flying Trip South

Finally off and flying, were the Stephens, Bud and Dorothy on Saturday the 26th, for a flying vacation in the Bahama Islands with a stay at Hope Town Harbour lodge on Abaco Island for five days to soak up some sun.

Their itinerary was to include an overnight stop at New Knoxville with their daughter, Lani, and their son-in-law, Mike Henschel.

Then a flight of four or five hours to Atlanta, Ga., for an overnight stop. An early start and about another five hours took them to Fort Lauderdale, Fla., on Tuesday for a visit with Mrs. Arla Stephan and family (Allen Stephan), and several days of flying from one airport to another and visits with the Franklin Hills, Peter Potters, Mrs. Newt Skillman, Norm McCabe and other friends from this area.

On Friday they will fly out of Ft. Lauderdale International Airport for the overwater flight to Abaco Island and Green Turtle Cay airstrip. After this five day stay, they will be island hopping to such places as Nassau, Bimini, Grand Turk and other islands with strips large enough to accommodate their air plane.

George and Janet are holding down the fort in their absence, and Nancy has come up to stay with them.

We all hope they have a wonderful vacation after fifteen years on the grindstone.

Janet and George Stephan

Roscommon Skier To Nationals Championships

At the Central Division Ski Meet in Lutsen, Minnesota, Feb. 26 and 27, Gail Klemetti, 18, of Roscommon was named to the Division Team going to the Junior National Championships. She is one of nine girls and 15 boys named to the team which will compete in the Nationals March 13-19 at Winter Park, Colorado, against seven other Divisional Teams.

The Division Team will fly by chartered plane from Traverse City, via Minneapolis, Minn., to Denver, Colorado and continue from there by bus to Winter Park.

The United States Ski Association is an independent, voluntary organization, dedicated to the promotion of skiing excellence among the young people of the country. All of the present members of the United States International Ski Team are graduates of the Junior National Ski Racing program. Mr. Jack Mason of Grayling is the General Team Manager, and Mrs. Mason, the girl's chaperone.

BITS O' TALK

The Kenneth Chappel family of Harper Woods are moving to Crawfordsburg this month. They have a home on the AuSable below Wakeley Bridge on the north bank of the river.

Mrs. Clyde Borchers left Monday from Traverse City to fly to Florida, and was met at the Tampa airport by Mr. and Mrs. Mike Lapka, who took her to Zephyrhills to join the Carl Johnsons. They plan to all drive back together this Thursday, expecting to arrive here on Saturday.

The Pink Lady will close at the end of the business day on Saturday, March 12th for redecorating. Open again on Friday, April 1st.

Additional workers taken on at the airport this month under Capt. David Hanson are Clarence Murray of Moorestown, automotive mechanic, Aaron Murray Jr. of Moorestown, automotive repairman, Gary Belknap of Moorestown, automotive repair helper, James Kantz, Bear Lake, trades labor, Myrton Burrows, Grayling, stores clerk, and Bill Borchers, Grayling, stores clerk, repair parts.

The Norval Stephens are enjoying a cruise as guests of the Milton Knights in the Bahama Islands. Mrs. Stephan has been visiting Mrs. Knight at Delray Beach for a couple of weeks, and Mr. Stephan joined the group later.

LeRoy Millikin, Ace Leng and Patrick Harwood attended the C.O.R.R. Intermediate School District Board meeting March 2nd at the Roscommon Court House.

Emil Kraus, Ward Ellison and son Ward, Jr., met General Carson Neifert of Okemos and all attended the Michigan State basketball game Monday night at the Jennison Field House, East Lansing.

The Pink Lady will close at the end of the business day on Saturday, March 12th for redecorating. Open again on Friday, April 1st.

The Roy Lovelys are grandparents to a baby girl born March 5th at St. Joseph Hospital in Pontiac to the Roy Wayne Lovelys. She weighed 7 lbs. 1 oz. Mrs. Jennie Brown of Lansing is also a grandparent, and Mrs. Emma Lovely of Grayling, and Mrs. Beulah Cunningham of Pontiac are great grandmothers to the little miss, who is named Shawn Marie.

Mrs. John Seator and son Mike of Pontiac spent the weekend with Mrs. Frank Serven and also other relatives.

Mr. and Mrs. Rufus Edmonds and daughter Edna of Flint were recent visitors of the Will Christensons and Mrs. Frank Serven.

Mrs. James Bristow of Royal Oak spent Sunday to Wednesday visiting her brother Rudy Harrison in Beaver Creek. Lady Harrison of Flint also spent a couple of weeks here before going to Florida where he planned to visit his brother Bill in Lakeland.

William G. Moshier is attending Electronics School for two weeks at the General Electric Co. in Grand Rapids. Mr. and Mrs. Moshier were in Midland Saturday on business.

Miss Billie Bovee and grandparents the Will Christensons spent Saturday in Traverse City.

Mrs. Thomas Hoover is a patient at Grayling Mercy Hospital in Room 208; we are informed by her husband. She would like to have her friends visit her.

Mr. and Mrs. Joe Moyer have returned home after a two week stay with their daughter and family, the Dale Edgingfields in Dayton, Ohio. While they were there they helped celebrate their grandson Bobbie and granddaughter Jodee's and son-in-law Dale's birthdays. They also spent a week in Greencastle, Ind., with her sister. On Friday Mr. and Mrs. Pete Stephan and family made a trip to see the Edgingfields. On Saturday, Dale took everyone to see Wright-Patterson Air Force Base and that evening Mr. and Mrs. Stephan took Dale and Carolyn out for dinner to celebrate Dale's birthday.

The Stephens returned home on Sunday, Feb. 20. Mrs. Edgingfield and children were on Dayton's local TV and won several nice gifts on the Johnny Gilbert's show on February 25th.

The Pink Lady will close at the end of the business day on Saturday, March 12th for redecorating. Open again on Friday, April 1st.

The Bunco Club met March 3rd at the home of Mrs. Agnes Hawkins. First prize was won by the hostess, second prize by Mrs. Elma Madsen, and low by Mrs. Dagmar SanCarter. Mrs. Eleanor SanCarter won the penny prize.

The group is to meet at the home of Mrs. Inez Edson on the 17th.

Mr. and Mrs. Corden Crosby spent the weekend in Fairgrove with their family. On Saturday night they were guests of honor at a dinner for fifteen in Frankemuth to celebrate their 40th wedding anniversary. Mr. and Mrs. Jim McRae were also guests. Mrs. McRae had made a beautiful anniversary cake for the occasion, decorated in green and white.

Mr. and Mrs. Kenneth Benson of Munger spent a few days last week with Mr. and Mrs. Corden Crosby.

Mrs. Geraldine Zielke is a new employee at the Grayling State Bank replacing Larry LaGrow who will join the staff of the Charlevoix County State Bank as of March 28th. Larry plans to take a two week vacation before beginning his new duties.

Mr. and Mrs. Rufus Edmonds and daughter Edna of Flint were recent visitors of the Will Christensons and Mrs. Frank Serven.

Mrs. James Bristow of Royal Oak spent Sunday to Wednesday visiting her brother Rudy Harrison in Beaver Creek. Lady Harrison of Flint also spent a couple of weeks here before going to Florida where he planned to visit his brother Bill in Lakeland.

William G. Moshier is attending Electronics School for two weeks at the General Electric Co. in Grand Rapids. Mr. and Mrs. Moshier were in Midland Saturday on business.

Woman's Club

The Grayling Woman's Club had as their program Monday evening, March 7th, the brass and percussion ensemble of the Interlochen Arts Academy of Interlochen, with Ray C. Lichtenwalter as conductor, held in the elementary school multipurpose room. Club vice-president Mrs. C. R. Holcomb introduced the ensemble.

Program numbers were "March" and "Fanfare" by Bach. Then "Canzon," and "Duodecimi Toni" by Gabrieli, "Providebam Dominum" by di Lasso, "Music for King Charles II" by Locke, "Song of the Redwood Tree" by Hanna with Kenneth Giles as narrator.

Next was "Sound Piece" by Read, and three "Allegro Duets for Percussion" with Michael Udow and Tsutomu Yamashita performing. Mr. Yamashita is from Kyoto, Japan, and a senior in high school who will join the Canadian symphony orchestra next year.

Presented next was "Fugue in D Minor" by Haddad, and the final number fanfare from "La Peri" by Dukas.

The ensemble, consisting of trumpets, euphonium, French horn, trombone, tuba and percussion, presented music ranging from antiphonal sixteenth century compositions to contemporary works. Some changes had been made in the personnel because flu had hit Interlochen. Dave Bruck's son was one of those playing. A standing ovation was given to this talented group of musicians by an appreciative audience.

Lunch hostesses were Mrs. Joseph Stripe, Mrs. Arthur Carlson, Mrs. Maurice Gorman and Mrs. Harold Dykema. The buffet followed the St. Patrick's day theme with a green cellophane hat decorated with white music notes as a centerpiece, complimented by green tapers.

NEW UNIFORMS—The GHS cheerleaders sported new uniforms to cheer on the Vikings during the tournament. Snappy green sweaters and skirts trimmed in white, the school colors, were most attractive. The cheerleaders pictured above are: kneeling, left, Janice Beery and Terri Frinkle; standing, from left to right, are: Nancy Knibbs, Janet McIntosh and Karen Wedge. Mrs. Howard Taylor, girls physical education instructor, is coach for the squad.

Chamber of Commerce Minutes

Regular meeting of Grayling Regional Chamber of Commerce, February 22, 1966 - Skyline Ski Club. Members present: Bill Kraus, John Latuszek, Ed Rutkowski, Sandy Thompson and Don Welser. Members absent: Billie Forbes, Chuck Kroll, Sal Truettner and Bill Tufts. Guests: Marilyn Longworth and Lydia Welser. Also present: Earl "Chum" Longworth. Meeting called to order at 12:10 p. m. by Vice President Bill Kraus.

Home Extension News

The Pines Home Extension Study group met Tuesday, Feb. 22nd at 3:30 p. m. at Sally West's home, with Janice McEvers as cohostess. After a short business meeting Dorothy Bassett, project chairman, gave an interesting lesson on modern shoe making. After the meeting a delicious lunch was served by the hostesses.

The group's next meeting will be on Tuesday, March 29, at The Forsaken Acre, with Dorothy Bassett and Peggy Shook as the hostesses. Mona Failing, reporter

CARD OF THANKS

I wish to thank the hospital staff and doctors for the fine care I received, also thanks for all the cards and gifts while I was in Mercy Hospital.
Don Denton

LEGAL NOTICES

STATE OF MICHIGAN

The Probate Court for the County of Crawford

In the Matter of the Estate of Minnie K. Dittich Deceased.

At a session of said Court, held on February 25, 1966.
Present, Honorable Emil L. Kraus, Judge of Probate.
Notice is hereby Given, That all creditors of said deceased are required to present their claims in writing and under oath, to said Court, and to serve a copy thereof upon Leo E. Lovely of Grayling, Michigan, fiduciary of said estate, and that such claims will be heard by said Court at the Probate Office on May 13, 1966, at 10:00 A. M.

It is Ordered, That notice thereof be given by publication of a copy hereof for three weeks consecutively previous to said day of hearing, in the Crawford County Avalanche, and that the fiduciary cause a copy of this notice to be served upon each known party in interest at his last known address by registered, certified or ordinary mail (with proof of mailing), or by personal service at least fourteen (14) days prior to such hearing.

Emil L. Kraus
Judge of Probate

STATE OF MICHIGAN

The Probate Court for the County of Crawford.

Estate of Charles E. Moore, deceased.

It is Ordered that on March 18, 1966, at 10:00 A. M. in the Probate Courtroom Grayling, Michigan a hearing be held on the petition of John H. Alef to admit to probate an instrument dated February 26, 1962, purporting to be the last will and testament of deceased, to obtain appointment of John H. Alef as executor named in said last will and testament, and to determine the heirs at law of said deceased.

Publication and service shall be made as provided by Statute and Court Rule.

Dated: February 23, 1966.
(s) Emil L. Kraus
Judge of Probate

Ward F. Ellison
Attorney for Petitioner
Grayling, Michigan. 3-10-17

Operation AuSable

Manager Longworth read the letters of invitation that have gone out to various interested persons and members of the press to attend the meeting to be held Tuesday, March 1, at the City Hall.

Sports Car Race

Ed Rutkowski reported on the February 13th meeting with Will Henderson of the Sports Car Club. No decision has been reached on the spring race. When Mr. Henderson receives definite permission from the Corp of Engineers in Chicago and from the Michigan National Guard regarding use of the Air Field, he will advise the Chamber office. There are so many intangibles involved in this spring race, that the Board does not want to commit themselves at this time.

Final Report on Winter Sports Pageant:
Chairman of the Queens Committee, Marilyn Longworth, made a final report on the Miss Michigan Winter Sports Queen Pageant. Although local attendance was not what it could have been, financially the Pageant was a success. Six hundred and seventy-five dollars was expended for scholarships alone in the two Pageants. Many pictures were used by downstate newspapers. Marilyn reported that thank you notes have gone out to the contestants, judges, press and etc. She also presented several suggestions for next year's Pageant; if the Winter Carnival could be held the third weekend in February instead of the second, it would allow more time for other communities to hold their contests, and we would undoubtedly have more contestants. Also, some organization other than the Chamber should sponsor Miss Grayling because we are the host organization for the Miss Michigan Winter Sports Pageant.

The Board extended a "thank you" to Marilyn and her committee for the tremendous job they did on the Pageant.

Motion by Ed Rutkowski, seconded by Don Welser that we continue the Miss Grayling Pageant and the Miss Michigan Winter Sports Pageant program as it can do nothing but grow bigger and better. Also, that a sub committee be set up to assist the chairman of the Queens Committee.

Bill Kraus and Don Welser agreed to be a sub committee to assist the chairman of the Queens Committee. The Sub Committee then asked Marilyn Longworth if she would accept the chairmanship of the Queens Committee for 1967 and she agreed.

Motion by Bill Kraus, seconded by John Latuszek that Marilyn Longworth be appointed to act as chaperone for Miss Michigan Winter Sports in Muskegon's Miss Michigan Pageant in June. Alternates to be Mrs. Macklin, Mrs. Bill Kraus or Mrs. Don Sherwin. All Ayes.

Motion by Don Welser, seconded by Sandy Thompson that the name Miss Michigan Winter Sports be copyrighted. All Ayes.

Other Business:
Chum Longworth informed the Board that he and Marilyn plan to attend the Chamber of Commerce Executives Meeting in Detroit, on February 24 and 25, and that they are going at their own expense.

Motion by Sandy Thompson, seconded by Ed Rutkowski that this meeting be adjourned at 1:10 p. m. Next meeting to be held March 10, 1966.

Marge Roper, Sec'y.

LETTERS TO THE EDITOR

Dear Bob:

It was interesting to read the article in February 24th's Avalanche about what the city has done and plans to do, with our taxdollars, to improve the city, and then turn dog warden's warnings about distemper. I can stand the roads and sidewalks the way they are, better than I can stand to put my hands in dog leavings every time I work in the flower beds around my yard.

It gets mighty discouraging after awhile trying to fixup lawns and flower beds only to have some dog come along and dig them up again. When I was a kid on the farm, we put up fences and kept them in good condition to keep our animals from destroying other people's property. Around here, however, a person has to fence his property to protect it from other people's dogs, if you can keep them from digging under it. The dog warden's warning didn't

carry any penalty for those who let their dogs run and spread destruction to property and disease to other dogs. Just a warning to keep them home and to keep other dogs away from them. The only way this can be done in Grayling is to keep your dog in the house or patrol your yard 24 hours a day to drive off the dogs of those people that don't have enough re-

Crawford County Avalanche
Thursday, March 10, 1966

spect for other people and their property to keep their dogs home. It is about time the City Council, Township Boards and County Board of Supervisors get on the ball and get a workable dog law and a full-time dog warden to enforce it. Then back him up. A "dog-Gusted" Taxpayer

Attend The Church Of Your Choice

WHAT DOES HE SEE?

What a birthday present! Young Dan can see all sorts of things with that telescope that are invisible to the naked eye. The sky, with its stars and its moon, seems so much closer.

Yet, there is still so much that remains unseen. The best instruments man can make are insignificant when measured against the scope and depth of God's universe.

That's where faith comes in. We know that there are other galaxies that can't be seen through even the most powerful of telescopes. And we know, too, that faith, though invisible, is the greatest power of all.

If faith is something that doesn't quite come across to you, the Church is the best place in the world to help you solve its mystery. If faith is already yours—what better way is there to reaffirm it than by going to church this Sunday?

Pictured are Mr. and Mrs. Frank Carrick of Wakeley Road, who were honored on their Golden wedding anniversary by their children at an open house for relatives and friends—February 19, 1966 at V.F.W. Hall in Port Huron.

Servant M. Bearden and Francis Carrick were married February 1966 in Kimball, Michigan and attended by the late Claude and Beatrice Beardon, sister of the bride. The couple later moved to Port Huron, where Mr. Carrick worked for the Grand Trunk railroad, retiring in 1959 after 39 years. They then moved to Grayling. The Carricks are members of St. Mary's church and of the Moose Lodge.

The couple has a son, Charles of Marysville, four daughters, Mrs. John Collins, Mrs. Everon Badley, both of Port Huron, Mrs. Ray Ellis of Sandusky and Mrs. Joseph Michael of Goodells, twenty-five grandchildren and nineteen great grandchildren.

Friends and relatives attended the open house from Harrisville, Detroit, Flint, Lapeer, and Metamora, numbering some two hundred. The Carricks received many lovely gifts.

Long Time Building Being Removed

The building on the south side of Cedar Street next to Gould Cleaners is being torn down. Its exact origins have not been discovered, but the present building was moved from a site next to the Rialto Theatre in the winter of 1936 by its owners, the UHartley Russells, who had a basement put in on the lot they acquired from the Gierkes, established a beauty parlor in the building and made their home in the rear. They had purchased the building from Mrs. Nels P. (Marie) Olson, Sr. One side of it had been badly scorched in the fire which damaged the Rialto Theatre in 1930. The area it occupied was being cleared for the construction of Grayling's new Post Office.

The property on which the building stood was originally owned by the Jackson, Lansing and Saginaw Railroad, and was sold to George H. Bromwell. A succession of owners included Stephan O'Dell, David McCormick, Hiram Bay and George Alexander George Alexander, who sold to Edward Keeler. The property then went to Mrs. Holger Schmidt's mother-in-law, Mrs. Marie Flagg. Just when the building was erected on the property has not been ascertained. Mrs. Flagg sold to Holger Schmidt, the property changed hands again and William Fisher became the owner. He died and his widow sold to Mrs. Marie Olson, who finally sold to the United States for the erection of the Post Office.

Just when the building itself came into being has not been ascertained. Mrs. Holger Schmidt remembers when as a newlywed she and her husband moved into it with Mrs. Flagg and lived for several years there. Both Harold and Frank Schmidt were born there. After the family moved out the house was converted to a store and used as a candy shop, also as a dress shop run by Frank Dreese. Holger and Jane Hanson ran a bake shop there for a time around fifty years ago. Later Ernest Olson ran a barber shop in the front of the building and his wife a beauty parlor in the rear. Still later Helga Mayotte operated a beauty parlor there.

LIAS - FE: DHAUSER VOWS SOLEMNIZED

Tell Sophomore Play Back Up Workers

Since the members of this year's Sophomore play cast have been introduced, the class would like to have the public meet the people behind the scenes of the production "The People versus Maxine Lowe."

This year's stage manager is Paul King. Working under him are Mark Duncan, Dave Goss, Ben Pettyjohn and Steven Walters.

Make-up under Mrs. Jean Compton, advisor, consists of Dianne Elenbaas, director, Mary Bobenmoyer, Kathy Bourrie, Sandy Burkett, Terry Denewitt, Dorothy Filley, Martha Fox, Vickie Gildner and Marilyn Johnson.

Business manager is Deyanne Gibson. Working with her are Nancy Brown, who is in charge of tickets, and Sally Behow, publicity chairman. The ticket committee is Sharon Bicsak, Chauncey Carr, Terry Denewitt, Vickie Gildner and Debbie Miller. Working on publicity are the sophomores and the tenth grade reporters of the G.H.S. Highlight.

Possibly the most important persons behind the scenes are the prompters. They are expected to know every line spoken by an actor in the play, and in case of emergency, to be able to step into any role as if they had been originally cast for it. These people are Carlene Englund and Marjorie Johnson.

Now that they have been introduced, the sophomores hope they will have a chance to meet the public when they attend "The People versus Maxine Lowe."

In the fall of 1965, thirty-nine high school vocalists were organized to form the Grayling High School Concert Choir, and began working their way through a vigorous rehearsal schedule. Spending a great deal of time mornings before school, noon hours, and evenings, the choir was able to present a short impromptu concert at a local Kiwanis dinner meeting late in the fall.

The choir then began extensive work on the preparation of music for the Christmas season, and on December 21, they presented the

Christmas Cantata "Love Transcending" by John W. Peterson, before a capacity audience in the high school gym. After the cantata, choir members walked throughout the city singing Christmas carols.

With the second semester, the Concert Choir, without a doubt, entered their busiest and most trying season. Music was purchased to be used at the annual Choir and Glee Club Festival, sponsored by the Michigan School Vocal Association and held at the Gerrish-Higgins High School in Roscommon on March 19th. New music was also purchased to be used at the Spring Choral Concert which will be held in the high school gym on Tuesday, March 1. This concert will be presented in two sections: the first being devoted to music of the classic and romantic period of music and the latter portion being made up of contemporary American music. Some of the numbers to be performed by the choir at this concert will be "How Brightly Shines the Morning Star" by Bach; "Emite Spiritum tuum" by Schuetky; "Bye, Bye Blues" by Hamm and selections from West Side Story by Bernstein.

The highlight of the year for the choir will be the presentation of a musical on May 20 and 21. For this year's performance, the Broadway hit, "Brigadoon" has been selected. "Brigadoon" was written by the composers of that great American classic of the musical theatre "My Fair Lady", Lerner and Loewe.

"Brigadoon" opened at the Ziegfeld Theatre in New York City on March 13, 1947 and played for 581 consecutive performances before it was closed down. Since that time, it has been restaged on Broadway twice and has been made into a motion picture. "Brigadoon"

John Budzinski is now filling the clerical position at the Camp Grayling Superintendent's office from which Richard Lovely recently retired.

Mrs. Wilhelm Rae was to return home Sunday after spending two weeks visiting friends in Ypsilanti, Monroe and Ann Arbor.

Orders now being taken for cemetery markers and monuments for Memorial Day. Orders given prompt, careful attention. Your patronage appreciated, terms may be arranged. Carl Hanson, Box 75, Grayling, or phone 348-9141.

Mary Ann and John Schofield of Beaverton visited their grandparents, the John Schofields Sr. and the Arthur Wakeleys, Thursday through Wednesday of last week. Their parents, the John D. Schofields and baby Sue, were in Indian River visiting the Don Goerke family while Sue's twin brother, Douglas underwent surgery at the Cheboygan hospital. Douglas was released and accompanied his family home on Wednesday.

Mrs. William Armstrong and children of Sweetser, Ind. visited her mother, Mrs. Oscar Goss, for several days last week.

The Bill Sorensens and daughter Irene returned home the end of February after a three-week trip to Brownsville, Texas, and a trip to Monterey, Mexico, in which they were accompanied by Bill's mother, Mrs. Carl Sorensen. She stopped off at Eagle on the way home to spend some time with the Fred Joneses.

Mr. and Mrs. Willard Cornell left Tuesday of last week to spend the rest of the month in Florida.

Mr. and Mrs. Wayne Clark of Lansing, stopped at the AVALANCHE Monday enroute home from attending the "Miss Kalkaska County" Pageant held last weekend in Kalkaska.

Mrs. Thomas Stancil left Monday for Ft. Lauderdale, Fla., for a six-week vacation. Mr. Stancil plans to join her the first day of spring. Mrs. Stancil was accompanied by Mrs. Anne Olson, who was going to Miami.

The Pink Lady will close at the end of the business day on Saturday, March 12th for redecorating. Open again on Friday, April 1st.

Mrs. Anne Olson and Mrs. Ross Thompson were in Lansing last week Tuesday to Thursday. Mrs. Olson visiting her daughter Lauri and Mrs. Thompson visiting Mrs. Emil Tahvonen.

Gary DuBois has pledged Chi Sigma fraternity at CMU, Mt. Pleasant, and is president of the pledge class for 1966.

Mrs. Martha Frost and Mrs. Hene Mathias of Detroit were guests of Mr. and Mrs. Leo Hawkins Friday and Saturday. Mr. and Mrs. Hawkins were Sunday dinner guests of her sister, Mr. and Mrs. Adolph Stradinger and daughter in Traverse City.

Mr. and Mrs. Willard Cornell left Tuesday of last week to spend the rest of the month in Florida.

CEDERBERG LISTS G. I. BILL BENEFITS

Approximately 9,682 veterans in Michigan's 10th Congressional District are potentially eligible for benefits and services under the new G. I. Bill just signed by President Johnson, Congressman Elford A. Cederberg said today.

The new G. I. Bill provides educational and training programs generally patterned after the highly successful G. I. Bills of World War II and the Korean Conflict. Rep. Cederberg was a strong supporter of the bill.

The Congressman pointed out that in the first year alone, over 1,246 veterans are expected to take advantage of the educational benefits, according to statistics from the Veterans Administration. This educational provision is expected to provide the veterans in the district almost \$778,000 in direct benefits in that first year, according to Congressman Cederberg.

He said the educational provisions of the new bill go into effect June 1, 1966, giving the veteran ample time to plan his schooling program.

In addition to the education benefits, the program is expected to provide VA-guaranteed loans totaling over \$206,000 to some 17 veterans and direct loans totaling \$322,000 to some 30 veterans in the first year.

All veterans are eligible for educational and guaranteed home loan benefits who were on active duty more than 180 days after January 31, 1955, and honorably discharged, or who were discharged with less than 180 days service because of a service-incurred disability.

Under the education and training sections, monthly payments for full time training are —

\$100 for veterans without dependents.

\$125 for veterans with one dependent.

\$150 for veterans with more than one dependent.

Veterans eligible can receive up to 36 months of schooling or training on the basis of one month for each month spent in uniform.

The veteran must complete his program of education within eight years after discharge.

The G. I. home loan provisions of the bill would increase activity in building and real estate activity throughout the country, Cederberg said.

The formula for eligibility of the veteran to participate in the G. I. home loan program is the same as that already in existence; that is, 10 years from the date of discharge plus one year for each three months served. Entitlement shall not continue beyond 20 years, nor shall it expire before 10 years.

Guaranteed or insured loan ceilings remain at \$7,500 while the top for direct loans, made where no private financing is readily available, has been increased from \$15,000 to \$17,500.

Medical and hospital care is available on the same basis as for war-time veterans. Other benefits include burial benefits, employment assistance, and veterans' preference in Federal employment.

THE PLAN

(Continued from Page One)

Grayling City Council and the Grayling Township Board.

Subdivision Regulations — Requirements for new land subdivisions in the community are valuable in establishing the character of future developments and assist in achieving a proper balance of expenditures between existing and future developments. Such regulations generally include minimum standards for lot and block size, street widths and utility services.

The city's policy with respect to cost allocations on streets and utilities is set out. In many cases, cities require the subdivision to bear the cost of installing water and sewer lines to city specifications. The same might apply to streets, or the city may require that residential width streets be paid for by the developer with the expense of any excess width required on a major thoroughfare being assumed by the city.

Codes — Minimum standards for safety and health can be established by the adoption of building, plumbing, electrical and fire codes. A number of standard codes have been developed and one of these with some minor variations is being considered by both the City and Township governing bodies.

Housing Codes — In order to prevent the occupancy of substandard dwellings, a minimum housing code must be adopted to set standards for sanitation, ventilation, light, air, space and other matters relating to health and safety. For example the number of people to occupy a given floor space can be specified.

Minimum housing codes are a basic requirement of an urban renewal program in order to assure that new slums are not created at the same time old slums are being removed. Capital improvement program — The capital improvement program and the capital improvement budget is tangible evidence of a community's or area's planning efforts. It is a most effective management tool and maps the way for the financing of needed public facilities.

Make sure they're talking

about you when they say,

'Just like Mother used to make.'

Remember those favorite dishes from your childhood? Nothing ever tasted quite as good again. Mother's apple pie, Mother's special spaghetti sauce, Mother's sugar cookies still warm from the oven. Every mother wants to be the kind of cook her children will remember. And being the cook you want to be is easier now than ever. Whether you're broiling a steak or baking cookies, creating a delicate sauce or warming milk for cocoa, a modern Gas range gives you the precise temperature you need the instant you need it. And that's the real secret of cooking success. Stop by your dealer's or Gas Company showroom and see the handsome new Gas ranges. Gas makes a good cook better. And memories are made like this.
